Summer @ TCS 2018

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be the glory both now and to the day of eternity. Amen." (2 Peter 3:18)

Dear Parents,

We are excited to bring you *Summer @ TCS 2018*! Our goal is to extend Trinity's mission of pursuing excellence for mind and heart through the summer. Our summer verse, 2 Peter 3:18, was selected because we want our students to grow in grace and knowledge of Christ in all areas and at all times in life, including summer camp. Accordingly, we are offering students a variety of learning opportunities set in a Christ-centered environment.

We have several new offerings this summer:

- **CPR and Babysitting Courses:** We are happy to introduce several CPR certification classes as well as a Babysitting Skills Course led by our Athletic Trainer, Kaitlin Graybill.
- **Upper School Courses:** In addition to the on-campus and online courses we have offered in the past, we are introducing an **on-campus Lifestyle Fitness Intensive!**
- **Sports:** Thanks to the new turf fields, we are able to introduce several new sports camps, including Girls Lacrosse, Boys Soccer, and Girls Soccer. We have also made our basketball camp full-day and welcome Coach Walt Webb along with Mr. and Mrs. Saunders as instructors.
- **Enrichment:** We are introducing many new enrichment camps for Lower School! Some of our new offerings are Pre-Med Camp, Mad Scientist Camp, Home Economics, and Marine Biology!
- **Tutoring:** One-on-one tutoring for academic classes, music, and standardized test prep will be offered through the LAIR throughout the summer. In addition, take advantage of our Executive Function Study Skills camp to prepare your student for the new school year! This summer, parents are also invited to participate in a Parent Workshop to learn how to best support their student.

Whether you sign up for one program or several, your child will love *Summer @ TCS*. Thank you for continuing to support this ministry through your participation!

In Christ,

Cara Kuiper
Summer Programs Director
703.273.8787 x109
summer@tcsfairfax.org

Questions? Contact summer@tcsfairfax.org.

Important Information

- All **half-day** campers must bring a snack and a drink.
- All **full-day** campers must bring lunch, two snacks, and a drink.
- All participants must bring a water bottle and will be encouraged to drink plenty of fluids throughout the day to avoid dehydration.
- All participants must wear sunscreen. Full-day campers should bring sunscreen to re-apply for afternoon activities.
- **Please Note:** There will NOT be a nurse on campus during Summer Camp; however, counselors do have access to a basic first aid kit. **If you need to reach the school during the day, please call Trinity Christian School at 703-273-8787 x110.**

Registration Process

- Registration for all programs will be online at www.tcsfairfax.org/summer.
- Payment by credit card is expected at the time of registration.
 - No refunds will be granted for withdrawal.
 - Payment will not be prorated for partial attendance.
- TCS reserves the right to cancel a program for insufficient enrollment. In this event, families will be notified by **May 25** and receive a full refund for camp fees.

Dress Guidelines

- Students are asked to dress modestly: no short shorts, cut-offs, bare midriffs, tank tops, or halter tops. Students are to dress appropriately for all camp activities.

Code of Conduct

Trinity Christian School provides an excellent opportunity for students who want to learn, grow, and thrive through the summer. This is done within a supportive community built on truth, character, and service. In order to create and sustain such a community, students must make the following pledge:

I promise to follow the expectations of student conduct:

- Honor Christ in word and deed
- Strive to do the best academic work possible
- Respect individuals of different races, cultures, religions, genders, ages, disabilities, and national origins
- Behave in a friendly, cooperative, safe, and responsible manner toward all persons in the TCS community
- Take responsibility for one's work and actions
- Cooperate with adult supervision
- Observe rules for physical safety and all other rules for student conduct

I understand that my actions will shape our school community and that my continued enrollment within this program depends on my honoring this code.

Discipline Policy

- Every student attending camp or a class is expected to follow the TCS standards of behavior listed in the Code of Conduct. Consideration of others in thought, word, and deed is expected.
- TCS reserves the right to require the withdrawal of any student who poses a discipline problem or a disruption to the learning experience. No refunds will be issued for students who are asked to withdraw.

Day Camp

Grades K – 3

Full-Day Cost: \$250

Half-Day Cost: \$125

Add-On Cost (Coach Phillips' Sports Camp only): \$50

TCS is pleased to offer eight weeks of summer day camp for all students in Grades K – 3. The foundation of the Trinity Christian School experience is anchored in the works of Jesus Christ, intent on pursuing excellence for mind and heart and committed to graduating students who become salt and light in their communities. Day Camp, like our school program, is an extension of the school's foundation and mission, designed to complement the curricular focus of the TCS school-year experience.

Day Camp will be staffed by Trinity faculty as lead teachers as well as former and current students as interns and counselors-in-training. Every week will offer students time for recreation and sports (a variety of team games and individual activities), and enrichment activities (art, crafts, reading, keyboarding, and academic enrichment). Each week has a theme connecting the activities. Some themes include: *Space is the Place*, *Animal Planet*, *Wind and Sea*, and more!

Session 1 Dates	June 4 – 8
Session 2 Dates	June 11 – 15
Session 3 Dates	June 18 – 22
Session 4 Dates	June 25 – 29
NO CAMPS JULY 2 – 6	
Session 5 Dates	July 9 – 13
Session 6 Dates	July 16 – 20
Session 7 Dates	July 23 – 27
Session 8 Dates	July 30 – August 3

Daily Schedule:

8:15 – 9:00 a.m.	Drop-Off, Free Play
9:00 – 9:15 a.m.	Devotions and Prayer
9:15 – 10:15 a.m.	Recreation and Sports
10:15 – 10:30 a.m.	Morning Break
10:30 – 11:30 a.m.	Recreation and Enrichment Activities
11:30 a.m. – 12:00 p.m.	Lunch
12:00 – 12:15 p.m.	Mid-Day Devotion
12:15 – 2:00 p.m.	Enrichment Activities
2:00 – 2:15 p.m.	Afternoon Break
2:15 – 3:15 p.m.	Recreation and Enrichment Activities
3:15 – 3:30 p.m.	Pick-Up*

Note: A \$25 fee will be charged for every 15 minutes, or any portion thereof, that students remain on campus after dismissal.

One-on-One Tutoring

Interested in having your student improve his math skills or prep for the ACT/SAT standardized tests? Trinity is offering one-on-one tutoring throughout the summer in a variety of academic areas and standardized test prep. Additionally, music tutors for a variety of instruments can be arranged based on your student's instrument of choice. Families can schedule these sessions with the tutor to meet their needs. To arrange for a summer tutor, please contact summer@tcsfairfax.org.

Enrichment Camps

Silver Knights Chess Camp

Grades K – 8

Dates: July 9 – 13

Time: 8:15 – 11:15 a.m.

Cost: \$200

Spend a week playing and learning about chess with Silver Knights Enrichment! Campers are placed in groups according to skill level. Each camper receives a T-shirt and a tournament-style chess set. Activities include learning the rules, openings, tactics, endgames, studying master games, and playing lots of games against other students. For more information, visit www.skenrichment.com or email us at info@skenrichment.com.

Home Economics

Grades K – 3 / Camp A

Session 1 Dates: June 25 – 29

Time: 12:15 – 3:15 p.m.

Cost: \$250 (includes \$25 materials fee)

Students will be learning the basics of sewing and cooking! This camp, taught by Miss Mobley, will include a fun summer picnic with student-made snacks! Join us for an Introduction to Home Economics.

Note: Each camp session is identical. We do not recommend signing up for both sessions.

Intro to Coding

Grades K – 3 / Camp A

Dates: July 16 – 20

Time: 12:15 – 3:15 p.m.

Grades 4 – 6 / Camp B

Dates: July 16 – 20

Time: 8:15 – 11:15 a.m.

Cost: \$225

Coding has become an increasingly important skill in the world today. This Introduction to Coding camp will expose students to the world of coding. This camp is designed for students with little or no coding experience. There will be fun, hands-on activities and basic computer coding.

Mad Scientist Camp

Grades K – 3 / Camp A

Dates: June 4 – 8

Time: 8:15 – 11:15 a.m.

Grades 4 – 6 / Camp B

Dates: June 4 – 8

Time: 12:15 – 3:15 p.m.

Cost: \$250 (includes \$25 materials fee)

Come and take part in a fun and interactive science camp! Students will explore and experiment to learn more about the way God has designed our world. This will be an exciting week where we test some of our big thinker questions using lots of hands-on activities.

Martial Arts

Grades K – 5

Dates: July 23 – 27

Time: 8:15 – 11:15 a.m.

Cost: \$275

Taught by Christian instructor Keith Jones of Dynamic Martial Arts, this class teaches students confidence, awareness, focus, concentration, respect, and discipline. By the end of the program, your child will learn:

- Life rules, e.g., be helpful to others, helping around the house
- How to greet others
- How to defend, not to fight

This unique class will focus on fun, fitness, and self-defense. *Beginners or experienced students are both welcome!*

Pre-Med Camp

Grades 5 – 8

Session 1 Dates: July 16 – 20

Session 2 Dates: July 23 – 27

Time: 12:15 – 3:15 p.m.

Cost: \$325 (includes \$100 materials fee)

Calling all future doctors and nurses! Imagine your child exploring the world of medical science through our interactive Pre-Med Camp. Future doctors will learn how to give CPR, take blood pressure, and determine a person's blood type. During this camp, students will occasionally use scalpels and needles with teacher supervision. Students will scrub in for surgery as they learn to give stitches using a pig's foot and create a cast for broken bones. Students will move through mini-stations to dissect a cow's eye, a pig's heart, and a sheep's brain. They will learn about our skeletal structure by reconstructing animal bones from an owl pellet.

Note: Each camp session is identical. We do not recommend signing up for both sessions.

Executive Function Study Skills

Grades 6 – 8

Dates: July 23 – 26

(Optional Parent Workshop – Monday, July 23 from 6:00 to 8:00 p.m.)

Time: 12:15 – 3:15 p.m.

Camp Cost: \$200 (includes Parent Workshop)

Parent Workshop Only Cost: \$50

This program is designed to give sixth through eighth-grade students the tools necessary for academic growth and a smooth transition to Upper School work. Taught by Katie Yum, one of Trinity's current Executive Function coaches, students will focus on learning how their brains work and how they can use specific Executive Function tools for organization, time management, note-taking, task initiation, self-advocacy, and more. Students will learn about the resources available to support them at Trinity and how to best utilize them for academic success. With individualized support catered to the upcoming school year's curriculum, students will leave this camp with practical ideas to put in place on day one of the school year.

The accompanying Parent Executive Function Workshop will highlight the Executive Function skills needed for academic success at Trinity. Parents will learn how to advocate for their child, set boundaries that promote student autonomy and understand their student's Executive Function deficits and the impact on their academic success. This will be an opportunity for parents to extend and support the strategies their student is learning during camp as well as develop household routines and mindsets that promote the implementation of Executive Function skills.

Note: Parents of students enrolled in the camp may attend the workshop free of charge.

Marine Biology

Grades 6 – 9

Session 1 Dates: June 11 – 15

Session 1 Time: 8:15 – 11:15 a.m. (Monday – Thursday)

Full-day day field trip (Friday)

Session 2 Dates: June 18 – 22

Session 2 Time: 8:15 – 11:15 a.m. (Monday – Thursday)

Full-day day field trip (Friday)

Cost: \$325 (includes \$100 materials and field trip fee)

This week-long camp experience offers campers an opportunity to engage in a brief and exciting survey of Marine Biology. They will learn about the history of ocean exploration and develop an understanding of how we acquired our current understanding of the marine environment. Campers will be introduced to the major groups of marine organisms starting with the smallest microbes, invertebrates, and finishing with fishes and marine mammals. To become acquainted with these organisms, students will engage in lab inquiries and dissections. Finally, the camp will include a capstone field trip to the National Aquarium in Baltimore for campers to see what they have learned about face-to-face.

Note: Each camp session is identical. We do not recommend signing up for both sessions.

ASHI Child and Babysitting Safety Class

Age 12+

Session 1 Dates: June 7

Session 2 Dates: June 8

Time: 8:15 a.m. – 1:15 p.m.

Cost: \$150

The ASHI *Child and Babysitting Safety* (CABS) training program is designed to focus on keeping children and infants safe in babysitting settings. The program provides fundamental information about the business of babysitting, proper supervision, basic caregiving skills, and responding properly to ill or injured children or infants. This class is perfect for young people who are interested in providing babysitting services. Students will be certified through the American Safety & Health Institute's (ASHI) Child and Babysitting Safety Course for two years and receive a card of certification.

CPR Certification Class

Age 12+

Session 1 Dates: June 4

Session 2 Dates: June 5

Session 3 Dates: June 6

Time: 8:15 – 11:15 a.m. OR 12:15 – 3:15 p.m.

Cost: \$75

The American Safety & Health Institute's CPR AED course is a classroom, instructor-led course designed to prepare students to provide CPR and automated external defibrillator (AED) use in a safe, timely, and effective manner. Upon successful completion of the course, including a CPR and AED skills test, students receive a CPR AED course certification card, valid for two years. This program conforms to the 2015 American Heart Association Guidelines Update for CPR and ECC.

Note: Each CPR Certification class is identical. Please do not sign up for more than one session.

Driver's Education

Ages 15+

Session 1 Dates: June 4 – 15

Session 2 Dates: June 18 – 29

Session 3 Dates: July 9 – 20

Time: 12:00 – 4:00 p.m.

Cost: \$245

TCS will offer three sessions of classroom Driver's Education for our students. These do not include behind-the-wheel lessons. Each two-week session includes 30 hours of classroom instruction and a mandatory 90-minute Parent/Teen Program at 12:00 p.m. on the first day of each session. At least one parent must attend the 90-minute Parent/Teen Program mandated by the Commonwealth of Virginia Division of Motor Vehicles. All instructors are licensed and approved by the Commonwealth of Virginia and Division of Motor Vehicles.

On-Campus Courses (TCS Students Only)

Arts & Aesthetics Intensive (1 Credit)

Grades 10

Dates: June 4 – 15

Time: 8:00 a.m. – 12:00 p.m.

Materials: Required textbooks:

- [Aristotle's Poetics](#)
- [On Great Writing \(On the Sublime\)](#)
- [Iphigenia Among the Taurians](#)
- [Telling the Truth: The Gospel as Tragedy, Comedy, and Fairy Tale](#)

Cost: \$1,495

This course presents a critical introduction to aesthetic theory and the history of what we term the fine arts. We will address questions including: What is art? What is beauty? How do artistic ventures differ from and approximate other human endeavors? What commerce has art with theology? Is there a proper use of art? What is the relationship between art and morality? What criteria, if any, are there for distinguishing good art from bad art? Is there such a thing as Christian art?

Lifestyle Fitness Intensive (0.5 Credit)

Grades 9

Dates: July 23 – August 3

Time: 8:15 – 10:15 a.m.

Cost: \$745

In Lifestyle Fitness, a variety of team and individual sports are explored, along with an in-depth study of how to apply a healthy lifestyle. Sports typically played well into adulthood will be emphasized. This class emphasizes the tactics of play and decision-making skills that support motor proficiencies of many team games. Individual and cooperative exercises give students an appreciation for health and physical fitness and applying personal fitness planning concepts to their individualized plans.

Note: After completing this course, students must log at least 10 hours of independent study. This log will be due to Mr. Hayes on the first day of school.

Online Courses (TCS Students Only)

The following courses are available in an online format only and fulfill graduation requirements for a Trinity diploma. As long as a Trinity student has fulfilled the prerequisites indicated in each description, no other special permission is required to enroll.

Students may take from June 4 through July 27 to complete an online course. This is an eight-week period. However, all of the courses are designed such that they could be completed in as little as six weeks to allow students time to take a vacation during the summer if they desire.

- **No work for an online course will be accepted after July 27.**
- Students should inform their teachers via email **in advance** if they know they will be unable to do work for more than three consecutive weekdays.
- Students should **not** enroll if they anticipate being unable to complete online work for more than two weeks between June 4 – July 27 due to vacations or other obligations.

Each online, credited course requires that students attend a one day, on-campus orientation. Length of the day varies from course to course, but no orientation will exceed four hours.

A mandatory on-campus orientation will be held Monday, June 4 (the first day of class). More details will be sent by each course teacher closer to the start of summer.

Enrollment fees will be refunded only if a student does not attain the necessary final grade(s) in prerequisite coursework.

Full-Credit Course Expectations:

The courses are self-paced, move swiftly, and involve intense study over a short period of time. One credit courses cover a full year of material. Students should expect to average **at least 4 hours** of study each day dependent on student pacing. The coursework consists of online work and assigned homework which is designed to be completed over a six-week period. Typical lessons may involve watching video presentations, participating in live weekly online discussions with the instructor, short assessments, and the completion of daily assignments. A mid-term and final exam will also be given in Online Geometry. Only highly motivated students comfortable doing online work should enroll.

Half-Credit Course Expectations:

The courses are self-paced, move swiftly, and involve intense study over a short period of time. Half credit courses cover a full semester of material. Students should expect to average **at least 2 hours** of study each day dependent on student pacing. The coursework consists of online work and assigned homework which is designed to be completed over a six-week period. Typical lessons may involve watching video presentations, participating in live weekly online discussions with the instructor, short assessments, and the completion of daily assignments. Only highly motivated students comfortable doing online work should enroll.

Online Algebra 1 Refresher (Non-credited)

Dates: Rolling admission after June 4

Materials: There are no additional materials for this course.

Cost: \$225

This is an independently-paced video series designed as a refresher of the key concepts covered in Algebra 1. The course covers the basics of properties of real numbers, equations, and inequalities, along with systems of equations in two variables, polynomials, operations on rational expressions, simple functions, irrational numbers, and quadratic equations. The course will include short videos and practice problems for approximately 50 different algebra concepts. This course is not the equivalent of Trinity's more extensive Algebra 1 course. Instead, it is designed for students who need a refresher of or extra practice with foundational Algebra 1 topics.

Note: Each student will be allowed three months to complete course material. Because this course is non-credited, students may complete all of the lessons in the course, or they may choose the lessons in which they need the most help.

Online Geometry (1 Credit)

Prerequisites: Students enrolling in this course must have successfully completed Algebra 1 with a grade of 74 or above. Placement for new TCS students is determined by the math department.

Dates: June 4 – July 27

Materials: Optional textbook – [Larson Geometry: Student Edition](#)

Cost: \$995

Students wanting to take Honors Geometry should NOT enroll in this class.

Students will develop reasoning and problem-solving skills as they study the basic Euclidean geometry topics. They will learn and apply properties of points, lines, and planes along with the planar figures such as polygons and circles. Students will also use the concepts of length, perimeter, area, circumference, surface area, and volume to solve real-world problems. In addition to the geometry content of the course, there will be numerous discussions of algebra, data analysis, and probability. The entire course will be framed around the discussion that God has designed his universe with certain principles, and that we can understand our Creator in a deeper way by learning and applying those principles that he has built into the framework of his creation.

Online Health (0.5 Credit)

Prerequisites: Students must have successfully completed Intro to Health and Individual/Dual Sports.

Dates: June 4 – July 27

Materials: There are no additional materials for this course.

Cost: \$495

Health education seeks to teach students about whole body wellness, its impact on individuals, and life application. Students will utilize an online platform to explore and discuss four different areas of health: spiritual, physical, emotional, and relational. This course will challenge students to think critically about health as they begin to make decisions that will impact their future. The primary mission of this course is not to merely provide factual information, but rather to help the student develop the tools necessary to live a healthy life in God's world, honoring and glorifying him.

Online Trigonometry (0.5 Credit)

Prerequisites: Students must have completed Algebra 2 with a grade of B or above.

Dates: June 4 – July 27

Materials: There are no additional materials for this course.

Cost: \$495

The successful completion of this course may allow a student who has completed regular Algebra 2 to enter Honors Precalculus.

Trigonometry is a course that explores the properties of triangles and circular functions. Students will explore trigonometric definitions, applications, graphing, and solving of trigonometric equations and inequalities. Applications and modeling will be included throughout the course of study. Trigonometry is a vital area of study for students who plan to take AP Calculus. Students enrolled in Trigonometry are assumed to have mastered the concepts covered in Algebra 2.

Online World History (1 Credit)

Prerequisites: Students must have successfully completed Grade 8 Civics.

Dates: June 4 – July 27

Materials: Students may use a school textbook on loan, free of charge, or purchase [Connections: A World History](#).

Cost: \$995

A general survey of the personalities, events, and civilizations of world history, this course will cover the pre-literary age up to the Renaissance. Students will learn to describe, compare, and contrast past civilizations and their accomplishments. Students will also gain an understanding of assumptions and presuppositions that frame our understanding of history.

Athletic Camps

Coach Hayes' Sports Camp

Grades K – 3

Session 1 Dates: July 9 – 13

Session 2 Dates: July 16 – 20

Time: 8:15 – 11:15 a.m.

Cost: \$175

Coach Hayes' Sports Camp will involve the same activities and games that are featured in Coach Phillips' camp. Students in Grades K – 2 compete together in an organized Christian game-play environment. Students will play Capture the Chicken, flag-pulling games, kickball, frisbee, soccer-type games, tag games, dodgeball, and a variety of other P.E. games! Sportsmanship awards will be given out daily. Campers will also participate in theme days including board game day, electronics day, etc.

Note: Campers need to bring a snack, lunch, and plenty of liquid although water fountains are available. Wear athletic shoes to this camp!

Coach Phillips' Sports Camp

Grades 3 – 8

Session 1 Dates: June 4 – 8

Session 2 Dates: June 25 – 29

Time: 8:15 a.m. – 2:00 p.m.

Cost: \$200

"Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven." (Matthew 5:16)

The legendary basketball coach John Wooden coined the phrase "Competitive Greatness." Being a great competitor is all about becoming the best you! It is not about the wins and the losses. Whether you are on the playing field or in the classroom, God calls us to work hard. This camp is about different ages competing together in an organized Christian game-play environment. Games will include Capture the Chicken, flag-pulling games, kickball, frisbee, soccer-type games, tag games, dodgeball, and a variety of other P.E. games! Theme days will include board games, electronics, etc. Sportsmanship awards will be given out daily.

Note: Campers need to bring a snack, lunch, and plenty of liquid although there are water fountains available. Wear athletic shoes to play!

Coed Soccer Camp

Grades K – 3

Session 1 Dates: July 23 – 27

Session 1 Time: 12:15 – 3:15 p.m.

Session 2 Dates: July 30 – August 3

Session 2 Time: 8:15 – 11:15 a.m.

Cost: \$175

Miss Mobley is excited to be hosting two weeks of coed soccer camp. These camps will teach the basics of soccer including dribbling, passing, and juggling. Students will have an awesome time on the new turf field together as a team.

Note: Please bring shin guards, non-metal cleats, and water each day.

Boys Soccer Camp

Grades 4 – 7

Dates: July 30 – August 3

Time: 12:15 – 3:15 p.m.

Cost: \$175

Coach Hayes and Miss Mobley are excited to host Grades 4 – 7 Boys Soccer Camp. This camp will teach the basics of soccer including dribbling, passing, and juggling. Students will have an awesome week on the new turf field together as a team.

Note: Please bring shin guards, non-metal cleats, and water each day.

Advanced Boys Soccer Camp

Grades 8 – 12

Dates: August 6 – 9

Time: 8:00 – 11:00 a.m.

Cost: \$225

Coach Phillips' advanced soccer camp is specifically designed for potential Junior Varsity and Varsity players in preparation for the upcoming seasons. General conditioning, ball movement, finishing on goal, and possession will be the emphases during this four-day camp. At the time of this camp, tryouts will be a week away, so it will provide an excellent opportunity to better prepare for the upcoming JV and Varsity seasons.

Coed Basketball Camp

Grades K – 8

Session 1 Dates: June 11 – 15

Session 2 Dates: June 18 – 22

Time: 8:15 a.m. – 3:15 p.m.

Cost: \$250

Trinity will be working alongside Coach Walt Webb from Slam City Basketball and host two weeks of basketball camp for Grades K – 8! These camps will create learning and competitive environments for all campers based on age and skill. Assisting Coach Webb will be Fleming Saunders, Assistant Director of Athletics and ML Boys Basketball Coach, Janae Saunders, US P.E. Teacher and ML Boys Basketball Coach, Slam City Basketball coaches, and selected TCS Varsity Basketball players.

Middle Level Girls Volleyball Camp

Grades 6 – 8

Dates: August 6 – 8

Time: 3:00 – 5:00 p.m.

Cost: \$215

The Middle Level girls will develop their game while learning new skills. This volleyball clinic is designed to teach the girls to work as a team as well as give them an extra edge to start the season. Players must bring knee pads, water, and wear spandex under their shorts. To contact Coach Everangel Morales, Girls JV Volleyball Coach, [visit the TCS website.](#)

Advanced Girls Volleyball Camp

Grades 9 – 12

Dates: August 6 – 8

Time: 5:00 – 8:00 p.m.

Cost: \$215

The volleyball clinic this year will create an outstanding atmosphere for the girls to polish their game while developing new skills. The clinic will be held prior to team tryouts, giving the girls an extra edge to start the season. Players must bring knee pads, water, and wear spandex under their shorts. To contact Girls Varsity Volleyball Coach Jeannette Fisher or Assistant Girls Varsity Volleyball Coach Everangel Morales, [visit the TCS website.](#)

Junior Cheer Camp

Grades 3 – 5

Dates: August 6 – 10

Time: 8:15 – 11:15 a.m.

Cost: \$175

Have you ever wanted to try cheerleading before? Now is your chance! This fun and exciting cheer camp, led by Coach Kimmy Allen, is designed for beginners as well as those with cheer experience. We will be covering cheers, chants, and minor stunting. No need to worry about what you can or cannot do; we cover it all!

Note: Students should wear athletic clothes and shoes to this camp. Students should also bring a water bottle each day of camp.

Middle Level Cheer Camp

Grades 6 – 8

Dates: August 6 – 10

Time: 12:15 – 3:15 p.m.

Cost: \$175

Roll Call! Are you thinking about joining the cheer squad this year? Come hang out with Coach Kimmy Allen at the Middle Level Cheer Camp! We will be covering cheers, chants, and stunts. No cheer experience required. We cannot wait to have you join us this summer!

Note: Students should wear athletic clothes and shoes to this camp. Students should also bring a water bottle each day of camp.

Varsity Cheer Camp

Grades 8 – 12

Dates: August 6 – 8

Time: 9:00 a.m. – 1:00 p.m.

Cost: \$200

This summer cheerleading camp, taught by Coach Daiber, will include learning and improving stunting skills, cheers, and dances. No cheer experience is required!

Note: Students should wear athletic clothes and shoes to this camp. Students should also bring a water bottle and a lunch each day of camp.
